

**Dress Code:** Good personal appearance, appropriate dress, proper behavior, and cleanliness are vital to each member of the school community. Developing good tastes in attire, good grooming habits, and good behavior are a part of the educational program. Students of the Laurens County School System are expected to dress in a manner that is supportive of a positive learning environment that is free of distractions and disruptions. There is a direct correlation between student dress and student behavior. Students will be expected to observe modes of dress, styles of hair, and personal grooming which support the learning environment. The purpose of this dress code is to assure that consistency and interpretation is implemented county-wide, thus providing equitable treatment for all students. In making a judgment concerning the appropriateness of a student's dress or grooming, the principal should adhere to the guidelines set forth in the procedures that accompany this policy. The principal of the school is charged with the enforcement of the student dress code. Students who are found to be in violation of the dress code are subject to disciplinary action.
